CONNEX ANNOUCEMENT: This morning breakfast is at 9:40 in the Community Center and our theme is on Getting Burned Out. Our last month’s topic was on Generational Differences. Each of us must seek to embrace our generational differences and serve as a light for Christ as we care for each other and lead different ministries. Each generation comes with different life experiences and expectations. It’s important to realize that no generation should be considered superior than the other.

CHILDREN’S HOMILY If your children/grandchildren can play the piano for the children’s homily, please submit their names to Leocel Asprec to be included in the list of those who will be serving in this area. Thanks.
