MEMORANDUM: STATUS ON “IN-PERSON WORSHIP” SERVICES

Let it be known by all LLFC members that “In-Person Worship” services at our church facilities will **remain closed until September 30 or until further notice.** While the State of California and the Conference have issued a “go” signal to reopen church services, subject to satisfying certain guidelines, the LLFC Planning Committee for the Reopening of “In-Person Worship” services decided to maintain the status quo until such time WHEN, we as a church, shall have made the satisfactory preparations.

In view of these circumstances, all LLFC members are encouraged to continue to join in on our virtual worship services provided on YouTube, the official church website (LLFC.org), and other platforms. Thank you for your patience and faithfulness to do the best in serving the Lord within the restrictions of our present conditions.

Let us continue to remain calm, optimistic, and follow the health guidelines to protect ourselves. Let us also continue to pray with and for one another. Thank you and may God continue to bless you and protect you and your families.
