PASTOR'S NOTE

What does “woke” mean? Oxford dictionary describes it as, “alert to injustice in society, especially racism.” I have to admit, it took awhile for me to understand what that word meant. But did you know that the Bible has used this term, with a different meaning? The Bible says to “stay awake.” In Mark 13:36-37 says, “lest he come suddenly and find you asleep. And what I say to you I say to all: Stay awake.” I believe that when the Bible calls us to “stay awake,” it means for us to be alert for what is taking place around us in terms of his soon coming.

As a church, are we “awake,” or do we simply keep on going as if this church will continue forever? As an individual, do I even care or have I heard it so often that it simply becomes “the boy who cried wolf?” I believe that church evangelism reminds us our mission as a church and as an individual. “Love God, Love Others, and Make Disciples.” Let us not stop at loving others. Instead, let’s “stay awake” and remember that Jesus is coming soon and part of our mandate is letting those around learn about Jesus and prepare for his soon return. As a church, let’s wake up, get to work, and stay awake! I don’t know about you, but I want to get home soon!
