WE'D LIKE TO EXPRESS OUR DEEP GRATITUDE to the church family for your benevolence, support and prayers during our period of difficulty. Your generous gifts and donations went toward the construction of church extension building of Sta Catalina SDA church in San Luis, Philippines. The project will house a primary elementary school building and children's ministries. There are currently 35 pupils K-6 and four grade teachers. May God continually grant you an expected end as you share building his kingdom. — Canlas Family

CONDOLENCES TO THE FAMILY OF JULIA DEAPER Funeral Service at Montecito Big Chapel on April 27, 2022 at 8:00 a.m.

PASTOR'S NOTE

Don't you love the GPS in your car? I know I do. My wife laughs at me as I input in my GPS where I'm going even if I know how to get there? Why? Sometimes, it's just nice to know if there is a faster way of getting there. There's been a couple of times where my GPS directed me to a different route and I chose to go the way I typically go, just to realize that there was considerable traffic on my regular route. But you know what I love most about GPS, I can go someplace, make a wrong turn, and never feel like I'm lost. No matter where I go, I know that my GPS will eventually route me to where I need to go.

Today is a Collegiate-led church. We want to welcome our guest speaker Ranela Kaligithi along with her family and friends. Ranela has had extensive experience in Bible Work and worked in the Central California Conference. Their entire family has been long-time friends since we were at the Seminary in Michigan and I know that our church family will be blessed as God shares the message through her today. Join me in welcoming all our guests today.
