# PASTOR'S NOTE

*Welcome Home!* With the slowdown of the corona virus cases, many of you have chosen to return to in-person worship. Others of you may have moved away and are here worshipping with us again. And maybe, a few of you are here visiting for the very first time because you have been invited. Whatever the reason, I want to warmly say, "Welcome Home." Some things may have changed, and some things may have remained the same, but one thing is constant, our loving Father is here to be with us.

Have you ever left for an awesome trip, but after a while, you just missed home? Because no matter how nice the food is, no matter how great the sights are, after a while, you missed the rhythm and the community found at home such as the friendly faces, loving smiles, home cooked meals, and the warmth of the relationships that you have cherished over the years. Most of all, home is the place where people that care will surround you, laugh with you, cry with you, and lift you up when things are not at its best. So, whether you are visiting, returning, or looking for a place to settle down, we pray and hope that you can find a community here called, "HOME."

Pastor Manny
