## PASTOR'S NOTE

Today, we as a church is celebrating Mother's Day with Women's Ministry Day. We want to recognize each of our mothers and women in our church today. We also want to welcome Dr. Yamilet Bazan, our guest speaker. She is the Associate Dean, Student Affairs, in the School of Medicine. I want to thank Dr. Bazan for accepting our invitation to share for this special occasion.

In the United States, Mother's Day has become one of the biggest holidays for consumer spending. Why? Because we love our mothers and because we want to acknowledge their God-loving trait of pouring themselves unselfishly to the lives of their children and those around them. If you are one of our mothers or women today, I just want to say, "Thank You" for your untiring ministry to our families and our church. Women not only make up approximately 60%, but your ministry and leadership are foundational as well. From the teaching, nurturing, feeding, and caring of our children and members, everything that you do brings a weaving of love and joy that allows our church to grow and thrive. Prov 31:30-31 says, "Charm is deceitful, and beauty is vain, but a woman who fears the LORD is to be praised. Give her of the fruit of her hands, and let her works praise her in the gates." This Sabbath is YOUR Sabbath. After the church service, our men have prepared and cooked a simple lunch to honor all our mothers and women. Though we can never repay you for all that you do, may we today show a small token of our gratitude and appreciation for all that you've done.

Pastor Manny
