## PASTOR'S NOTE

Did you ever have to make a U-Turn? You were driving and realized you were going in the wrong direction. Did you know that you cannot just make a U-turn anywhere? I was pulled over because I made a U-Turn in a middle of a commercial street and the police informed me that it was not legal.

So, when does one make a U-Turn in life? You get your blood results, and the doctor tells you that unless you change your diet and lifestyle, you are going to be diabetic. You had a bypass heart surgery and you realized that unless you exercise and eat better, you will not be around very long. You got home, and your spouse tells you that unless there were drastic changes, your spouse is going to leave.

I began to realize that U-Turns are a way of starting a new beginning. I love the fact that God is in the business of new beginnings. The Holy Spirit will signal your heart about starting over in a certain part of your life. If you hear it, do not delay. Follow the signal and make that U-Turn. It is never too late to start in the right direction.
