PASTOR'S NOTE

Has there anything that have happened to you that made you doubt whether God really existed? Have you ever questioned about the existence of God? After years of existence, do you without any doubt know that God exist? Have you ever heard His voice? Has He ever spoken to you? Have you seen His presence?

Today's topic, "Is God for real?" may leave more questions than answers. But that is okay. Because if the existence of God was made where one can know without any doubt, then where is faith involved? The question I have for us parents is this, "How do we make God real in the lives of our children?" Do our kids view God in the same vein as they view of Marvel heroes, or have they experienced for themselves who God really is?

As we talk about how to know whether God is real or not, we can ask ourselves this question, "How do I know that God is real?" If I asked right now, how would you answer it? My prayer is that the Holy Spirit will reveal in each of us who God is in our life. My prayer is that God become more than someone we know about, but someone we personally know of. May today's question which warrants an obvious answer, provide an opportunity for a deep searching in our own life about what we honestly believe.

Praying with you, Pastor Manny
