## PASTOR'S NOTE

Something caught the corner of my eye as I was making an after-sunset home visit this week. While I was having a conversation outside, enjoying the slightly cooler weather, there seemed to be a neighbor standing on their lawn and sending text messages from their phone. I assumed this because the figure looked like a person, with the light coming from their phone illuminating their face.

After over 30 minutes of this assumption, it started to bug me that this person would text someone that long and stay at the same spot this whole time. Finally, I gave in and fully turned in the direction where this figure was standing. Yup, you probably already guessed it. It was not a person, it was a spooky-looking stick decoration with a spotlight pointing at its face.

In today's message. I will be sharing a message as a reminder for all of us, about how we make choices in life that are spooky, dangerous, and harmful. As we worship, allow God's non-spooky spirit to fill your life for a better kind of lifestyle. Thank you for choosing to worship with us today. Happy Sabbath.

~Pastor Mark
