

## WELCOME

The Loma Linda Filipino Church Pastoral Staff would like to warmly welcome you to God's house of worship. We are so glad you chose to worship God with us in person today! We still encourage you to wear protective mask and maintain distance. If you are not feeling well or have been recently exposed to someone with covid, please enjoy the live stream of our worship at home. We will get through this together.

## PASTOR'S NOTE

Did you know that walking is still considered one of the best exercises today? Even just 30 minutes of walking or 10,000 steps a day can significantly improve health. If you didn't know, our church started a walking club. Every Sunday morning, our walking club goes to Citrus Trails Park to go walking starting at 7 am. Brother Jesse Malaguit, when he first started was struggling to walk, and several weeks later, he is walking so much stronger and longer without needing a break. Why not try it and join us?

What is true for physical walking is also true for our spiritual walk. We all start at different paces and have different challenges. But if we don't give up and keep trusting in Jesus, our faith walk becomes stronger and stronger. Join us today as our Sanctuary Choir helps tell the stories of people who have lived in the past and reminds us that their walk is also our walk of faith.
