## PASTOR'S NOTE

This week featured all sorts of Valentine-related actions. Ranging from "not again" to, "man this traffic is gonna get me late for tonight's date", to "is this over the top, or not enough" sort of things. However, it was for some of you, there definitely was an increased action amongst many to ensure that their significant other felt the extra love, effort, expression, and extra monies spent.

To which I wondered; if God were to be the recipient of something I decided, acted upon, or expressed in an extra way, how would He respond? If a person receiving the extras as an expression of love responds with a huge gratitude, how much more would our Heavenly Father who owns, created, and has everything respond?

I pray that our worship and love for God today and every day comes from a posture of extra on our part. We're so glad you chose to worship with us today. Happy Sabbath!

With extra hugs and gratitude,  
Mark Sigue.
