PASTOR'S NOTE

John the Apostle wrote in our bible verse today these words—"Even the world itself could not contain the books that would be written." John wrote the truth about Jesus, but it was impossible for him or anyone else to write the whole truth about Jesus. There were many other things that Jesus did, and it would be impossible to write them all."

Bible scholar Leon Morris writes: "With this delightful hyperbole he lets us see that there is much more about Jesus than we know."

The many other things that Jesus did includes His ongoing work among His disciples and in the world today. John thought of a book that continues to be written, with so many volumes that the world could not contain them all.

Pastor Manny just completed a sermon series about faith. These messages blessed me and I hope blessed you too. He said a lot and I want to share my reflections about Biblical Love for we cannot exhaust all the things that can be said about it. Just like all the things Jesus said and did could not be written for the world to contain them. Like a thimble from an ocean will take many lifetimes to empty it. What an awesome love God has for each one of us! Will we accept, embrace and live in His unfathomable love?

Blessings, Pastor Dan
