PASTOR'S NOTE

Just days after Jesus' crucifixion, others continued to mourn the loss of their Savior. Others had quickly moved on to the various things and happenings of life. Centuries later, we might also fall under the same tendency of going on with life after celebrating the gift of salvation in the death and resurrection of Jesus Christ.

This setup created the situation in which the disciples were startled and in fear when Jesus showed up in their midst after He was resurrected. We will spend some time in the reaction of Jesus' disciples and pick up lessons we can apply in our lives even today. Ponder on your reactions when Jesus shows up in your life as I share the message titled - Guess Who's Back?

Maligayang Sabado sa inyong lahat (Happy Sabbath to all)
~Mark Sigue
