*Q10: What is a restricted fund?*

*A10: A restricted fund is money that is set aside for a particular purpose, which is determined by the donor. Sometimes it's temporarily restricted, meaning that the restriction could end due to a specified time limit, or more likely, by the completion of a project, such as the construction of our gym. Funds that are permanently restricted are usually meant for projects or activities that are ongoing and have no time limit (i.e. LLA constituency fee). Donors have specifically given money to LLFC ministries to support the ministries' mission-focused work, thus the use of the money is restricted for those purposes.*

## PASTOR'S NOTE

Before the Communion Service, Ellen White observes, "The disciples made no move toward serving one another. Jesus waited for a time to see what they would do. Then He, the divine Teacher, rose from the table. Laying aside the outer garment that would have impeded His movements, He took a towel, and secured it." Family, Jesus is waiting for us in these last days, "What are we going to do?" We are called to serve out of love just as the disciples were. But why did they miss Jesus' example?

"This action opened the eyes of the disciples. Bitter shame and humiliation filled their hearts. They understood the unspoken rebuke, and saw themselves in altogether a new light. So Christ expressed His love for His disciples. Their selfish spirit filled Him with sorrow." Jesus loves us despite our selfishness. We are prone to forget His love and our call to serve. That's why Foot-washing and Communion is enacted quarterly. To give us opportunities to be like Jesus. To humbly take "the form of a servant." Ellen White concludes with this important yet challenging lesson, one of the last acts of (Jesus) life on earth was to perform a servant's part, a servant's role. Are we willing to be a servant like Jesus?
