Q7: But I indicate on the offering envelope that some of the money I am giving is to support a specific LLFC ministry or special project, why is it not included in the church budget?

A: The church budget pays for items that are critical or essential for LLFC to remain open and in operation, such as utilities, insurance and staff salaries. While mission-focused ministries, clubs and capital improvement projects are important, our church priority is to pay our monthly debt first. We must sustain LLFC before we can invest monies to support or grow our ministries and build our facility through capital improvement projects.

PASTOR'S NOTE

"If it ain't broke, don't fix it." Have you ever heard that saying before? Where would we be if we held true to that? Would we still be driving a horse and buggy? The reality is, this mentality prevents innovation, growth, and open thinking. What about in church? Do we say the same thing? Let's discuss our Sabbath School Lessons the way it has always been done. Let's sing the same songs that we are familiar with. Let's do our ministry programs the same way we have done it every year.

Last Tuesday, our Strategic Vision Committee met for the first time. We realized that our Mission & Vision may be timeless, but the structure and strategy may have to change for the sake of relevancy. Growing up, families were "private" about the struggles they faced. They were afraid to share their challenges in fear of "being exploited and talked about." Psalm 24:18 says, "The Lord is near to those who have a broken heart." If you feel like your spiritual journey has plateaued, maybe it is time to be broken.

Pastor Manny

Heaven Robles came into our club amid Pandemic in 2020 as she was searching for a support group, and she has "found her family here." She just graduated from LLA and will be heading to Southern to major in biomedicine. Since she was tiny, the Lord has shown her that He has something big in store for her and she is now ready for her future in His hands by choosing to be baptized.
