## PASTOR'S NOTE

Happy Sabbath. Welcome back to those who have been travelling and we are glad that you have returned safely. A special shout-out to our AWESNA mission trip group. We pray that you had a blessed experience. This Sabbath, we continue in the book of Daniel. Last week, we looked at the experience of Hananiah, Mishael, and Azariah and what it means to "STAND" for God. Today, we move forward to the ending of the Babylonian empire in Daniel 5 as we talk about "End in Mind."

Stephen Covey in his book, "Seven Habits of Highly Effective People" states in habit number two that we should, "Begin with the end mind." What does that mean? "To begin with the end in mind means to start with a clear understanding of your destination. It means to know where you are going so that you better understand where you are now and so that the steps you take are always in the right direction."

As Christians, where do we want to be at the end? My prayer is that we ask for the Holy Spirit to help us take the steps that lead us heaven bound.
