PASTOR'S NOTE

Last Tuesday, our church family grieved as we celebrated the life of Brother Jerry Casel. He will be missed as a husband, father, deacon, and friend. Thank you to all those who helped and provided help and comfort to the family. Today, we welcome Pastor Jongkeun Han. His sermon title is, "Comfort My People." Pastor Han is the Lead Pastor for Santa Maria Korean Adventist Church. He is also head of the project Emotional Comforter Ministries that deals with mental health.

As Adventists, we pay special attention to our diet and healthy lifestyle. However, in regard to mental health, we have not given as much attention to it. Chapter 18 of The Ministry of Healing, Ellen White writes, "The relation that exists between the mind and the body is very intimate... The condition of the mind affects health to a far greater degree than many realize. Many of the diseases from which men suffer are the result of mental depression. Grief, anxiety, discontent, remorse, guilt, distrust, all tend to break down the life forces and to invite decay and death." Thank you, Pastor Han, for helping our members deal better with mental health.
