PASTOR'S NOTE

Dear Family,

I praise God that during our "hurricane" episode, our church and our areas were mildly affected. I am thankful that we were spared the major impact. When I was preparing my own home, I had the opportunity to meet some of you doing the same. As a church, thank you to everyone who took the time to be sure that everything was buttoned down and ready. Our church deacons were called and prepared. Our hospitality took extra measures to make sure the food was sufficient in case we had to remain in our building. Our custodial team made sure that all the loose items and equipment outside were stored. Our team took measures to be sure we were ready.

Peter talks about being sure of the election we have made. But what does that mean? What are the things that we need to do to strengthen our decision. When we make our election sure, look at the outcome, "you will never stumble." I praise God that He who began a good work in us will be responsible to complete it. Let us be sure together.

Pastor Manny
