PASTOR'S NOTE

Happy Grandparent's Day. Today is a special day as we celebrate all our grandparents as well as all our members who have turned 70, 80, and 90 this year. As a church who values intergenerational family ministry, we understand that young and old need each other. We learn, grow, and thrive together. What a neat way to "Go Forward" as we realize that the young can learn from those older, and those older can learn from those younger.

Today, we are blessed to have our very own Pastor Jose Manalo share the message on this special day. As he preaches on Jeremiah 7:21-26, we begin to see that one of the things that we can learn from those who have walked before us is the blessing of obedience, and the consequences of disobedience. Winston Churchill's famous quote, "Those that fail to learn from history are doomed to repeat it." So, wisdom says, "Listen to your elder's advice, not because they are always right but because they have more experiences of being wrong." Let's "Go Forward."

Pastor Manny
