## PASTOR'S NOTE

Dear Family,

Congratulations to all our graduates and families. As a church, we celebrate your accomplishments and perseverance to finish what you have started. Our growing together lesson today is about Noah building the ark. The Bible states that it may have taken as long as 120 years for Noah to build an ark. Truly, he persevered and accomplished his goal as he walked the graduation ramp into the ark.

Have you ever thought about the "voices" he may have heard over the years while he was building the ark? For our graduates, what voices did you hear during your journey? My prayer is that we become discerning and selective of the voices we listen to for they will determine our success. I praise God that as a church who "Loves God, and Loves Others," we can use our voices to encourage, lift up, and make a positive impact in the lives of our community.

Pastor Manny
