PASTOR'S NOTE

"The world needs mothers who are mothers not merely in name but in every sense of the word. We may safely say that the distinctive duties of women are more sacred, more holy than those of men. Let women realize the sacredness of her work and in the strength and fear of God take up her life mission. Let her educate her children for usefulness in this world and for a home in the better world. (AH 231.1)

Mothers, awake to the fact that your influence and example are affecting the character and destiny of your children; and in view of your responsibility, develop a well-balanced mind and a pure character, reflecting only the true, the good, and the beautiful (AH 243.2)"

Above are words of Ellen White counsels about the importance of mothers who we are celebrating today. Listen to the reflections of two mothers in our church - Ghinette Aguilar & Eppie Manalo. We thank them and all mothers for their inspiring influence in our lives today especially on Mother's Day. We love each of you!
